Stay Warm & Save Money with a WoodMaster Outdoor Wood Furnace

Outdoor wood furnaces are what WoodMaster does, and we do them best. Since 1989, we've built industry-leading wood furnaces. There's no cleaner, safer way to heat with wood.

CleanFire checks every box of what an outdoor wood furnace should be:

- **Clean & Efficient** - use up to 60% less wood
- **Easy Maintenance** - Full access to heat exchanger and front and rear ash cleaning area
- **Convenient** - FireStar combustion controller with onboard Wi-Fi makes heating with wood easier than ever
- **Comfortable & Safe** - Our furnaces provide the warmth and comfort of burning wood - without the mess, inconvenience and dangers that can be caused by indoor burning.
